

## Entering 4<sup>th</sup> grade

Dear Parents,

Below is a list of books students will be required to read during the summer. For slow or unenthusiastic readers it might be a good idea to figure out the total number of pages to be read and then assign your child a designated number of pages to be read daily.

We have found [www.bestbookbuys.com](http://www.bestbookbuys.com) to be an excellent source for acquiring books, new or used books. This website searches other sites for the best price on a specific book. The library, of course, is another great source. Also, Barnes and Nobles and Borders are happy to order a book that is not on their shelves and will notify you when it arrives. Books ordered this way usually arrive quickly and you do not have to pay shipping.
